VARSITY FOOTBALL

The 1984-85 Rex Putnam Varsity Football season was another Putnam success story by making school history and winning the first round of the Oregon State AAA football tournament. The team began with a 2-0 record with victories over Tigard and Hillsboro in non-league competition. Then despair hit the team, losing their next 3 league matches. But with the strength of the seniors, they pulled together to win their last 3 league games to give them a birth in the state playoffs.

The first game was one to remember; against Mt. View of Bend Oregon, under extremely snowy conditions, the K-men annihilated their opponent in this 29-12 contest. The end to this fairytale season occurred at Parker Stadium against the Warriors of Lebanon. The K-men lost by 3 in the last 30 seconds, a heart-breaker to say the least.

The team made a season to remember. Good luck to Coach Law and to the teams that come from Rex Putnam High School. THANK YOU FOR THE MEMORIES

J.V. FOOTBALL

The J.V. football team had been very tough in the past, and proved it again this year, coming away with another winning season at 7-2. Ray Brewster and Tim Deggendorfer received praise from Coach Chan, also he commented on the great leadership of the juniors who came down from Varsity to play with them. Coach Brian Freitag added the extra dimension that the team was looking for, because of his excellent conditioning, preparation, and defensive coaching skills. All the players are very good athletes and will keep the winning tradition at Rex Putnam ROLLING.

The Freshmen football team had a very excellent season, although their record didn't show it, they played every team considerably tough. Potentially this team could do great things for Putnam. Two standouts were Danny Ruhl and Brian Pain. They were very stable and sound on offense and defense, with coaching help from Paul Mannen and Joel Mobley.

VARSITY VOLLEYBALL

The Varsity Volleyball team had an interesting season. They had a very young team, and were lacking experience. Their record was 3-9, but they took second at the Canby Tournament and third at the St. Helens tourney. The K-gals were the only team to take West Linn to 3 games. Carolyn Gaboury held the team together with great help from Susan Meyer, Kris Kamrath, and Shari Wright. Carolyn and Susan got honorable mention honors. The K-gals never give up against any opponent and will be a real force next year with most of the team returning. SO WATCH OUT!

J.V. VOLLEYBALL

The J.V. Volleyball squad thrashed their way to a 12-6 record. The team was led by two outstanding spiking athletes, Shelley Walker and Chris Brooks. Their consistant spiking and serving proved to be the key to the teams unity and support. Coach Rose gave out five awards to the players, such as, Golden hands: Shelley Walker, Server: Jan Rothenflech, Killer: Kari Robinson, MVP; Cheryl Marthaller, Most Inspirational: Kristine Shirley. Considering the tough league, the team did an excellent job this year and will be a factor in the success of next years Varsity team.

The 1984 Frosh girls volleyball team had an outstanding season, led by Coach Julie Grey, a former player and student of Rex Putnam. The team finished the season with a 10-4 record. Throughout the season the team proved to have great drive and determination with wins over arch rivals Clackamas and Milwaukie. With such hard workers and fine athletes like this it looks promising for Putnam in the years to come.

VARSITY BOYS SOCCER

The Boys Varsity Soccer team was supposed to have had a rebuilding year. The team had great leadership from four Seniors, Jeff Wenrich, Darrin Dow, Jeff Suter, and Jeff Abbott

The teams overall record was 5-5-2, they also tied for a third place finish in league with West Linn and Newberg. Their best game of the season was against \$Lakeridge\$. The Kingsmen dominated the entire game but could only pull out a tie.

J.V. BOYS SOCCER

J.V. Soccer had a very young team this year with two Juniors, six sophomores, and the rest were rookies. Their record in league was 6-4 and their overall record was 7-7. "Joe the Cabinet Maker" was the so called coach, until a woman named Vicki took over, she was soon replaced by a semi-pro player named Davey. Davey finished the season and pulled the team together. This should prove to be a good asset to the young team in the years to come.

VARSITY GIRLS SOCCER

The girls varsity soccer team had an up and down season. They pulled out a winning record of 8-4. The team was quite young and full of talent. There was great leadership among the senior players, Susan Palmer, Julie Kienlen, Teresa Vetter and Amber Davis. The K-gals improved each game as they finished out the season placing third in league. Susan Palmer made first team all league. Although the girls didn't reach state they should be top contenders in the years to come.

VARSITY BOYS C. COUNTRY

The boys cross country team had an experimental season, considering the young talent they came away with a 2-4 record and were 6th in the league. GIRLS VARSITY C. COUNTRY

The performance of the girls cross country team was outstanding this year. Their record was 6-1 and they placed 3rd in district. Their showing at the Clackamas classic was also very impressive. The team was very young and was led by three senior captains, Kim Ellis, Kim Fenton, and Chris White. Kim Ellis was honored with the M.V.P. award and Tiffany Goldspink was the only K-gal to go to state. This team should provide us with more state showings in the following years to come.

VARSITY BOYS BASKETBALL

The Varsity boys basketball team finished with a 16 win - 6 loss season record, finishing second in league. The Kingsmen beat McNary in the first state playoff game, but then lost to Glencoe at Glencoe by one point. Individual honors went to Jim Rhode, M.V.P; Darren Newton, Most Enthusiastic; and Tom Prockish and Steve Sonnen tied for Most Improved. Karl Jensen and Jim Rhode made -all league- and Jeff Suter made Honorable Mention. Overall a fine season for the Kingsmen who made it to state for second straight season.

J.V. Boys basketball team had a winning season their record was 14-6. They were very young, mostly made up of sophomores and three juniors. Mr. Thompson, the J.V. coach, said that this team was one of the best J.V. teams he had ever seen. Mr. Bethke is really excited about the prospects of next years b. ball team. He said, "Continued progress and the talent of players should make for a good and exciting season next year."

SOPHOMORE BOYS BASKETBALL

The 1984-85 Sophomore boys basketball team didn't have an outstanding season, but have great potential. Their record was 4-15, although the contests were closer than their record. The Sophomore K-men were led by their big men Brad Cooney and David Webb and Ryan Gray was their most outstanding player for the season. One of the highlights of their season was the win over Lakeridge. It was one of the only losses for the Pacers.

The boys played well as a team, worked together, and had a lot of fun as well as were a competitive force. With a little practice over the next year the sophomores could become key players in the years to come.

GIRLS VARSITY BASKETBALL

Girls Varsity Basketball team had a rebuilding year losing most of the team last year. The young team did show some flare though keeping most of their games fairly close.

Jill Altman and Kris Kamrath led the team to some respect, considering that their were only a few seniors. The young team should prove to be tough in the years to come.

J.V. GIRLS BASKETBALL

The girl J.V. team had a great year considering how young they were consisting mostly of sophomores and a few juniors. The team managed to finish above 500 in a tough competitive Tri-Rivers league. Hopefully this promising talent will compete and move up to the Varsity level in the R.P.H.S. years to come.

WRESTLING

The 1984-85 wrestling squad had a very good season. Although their record didn't show it, 4-1-13. They were very competitive in all their meets. The key wrestlers for the team were Tom Dumolt, Ray Brewster and Chris Gardner. All three of these people went to state and did very well. The wrestling awards were given to the following people; Most Improved - John Stanford; Most Pins - Chris Gardner "9"; M.V.P. - Tom Dumolt; Most Agressive - Ray Brewster; Coaches Inspiration Award - John Stanford and Matt Hinds. This was a very young squad, only losing five seniors. Rex Putnam is rapidly being known for wrestling and in the future looks like it will

SKI TEAM

This year the ski team showed some great talent. Eight different schools compete within the league, so there is much competition. Amy Larson, who achieved many first place spots in both Giant Slalom and Slalom made it as an individualist to the state tournament. Russ Hood, who was in the top ten almost every race, made it individually to state as an alternate. The Boys and Girls, as a team, didn't qualify for state, but remained a competitive force throughout the season. Growing talent should enhance the ski team in the future.

Varsity Baseball

Another league title and another trip to the state playoffs. That was the story for the 1985 boys varsity baseball team.

With a new coach the baseball team had an overall record of 20-5. Taking the league title they also took most of the 1st and 2nd All Star votes too. George Armstrong, Greg Mitzel, Mike Cannon, and Jim Rhode were all first team. Jeff Suter and Derron Moreland received 2nd team and Kevin Soto was named Honorable Mention. Also making the all Metro Team were Cannon, Mitzel and Armstrong. Losing the majority of the bread and butter, their will still be reason to fear the hard ball core of next year's team.

J.V. BASEBALL

The J.V. Baseball team this year had a fair season. During a game against the Lakeridge Pacers, the team went a total of 14 innings. It was one of their best games, but they lost 7-6. One player, Brent Peters, had an outstanding season on both offense and defense playing. He was an asset to the team and helped them to victory.

The freshmen baseball team had a winning season this year. They had a rocky start of losing their first 2 games and losing 2 of their better players to J.V. They came back and ended the season with a 11-7 record. They had a new coach this year and gave everyone fair playing time. They ended their season on a high note by winning their last 2 games.

VARSITY SOFTBALL

Once again Rex Putnam varsity softball team has proven to be a prime factor in the Three Rivers League. For years Putnam has finished 1, 2, or 3 in league, and this year wasn't any bad news. With a record of 16-5 they found themselves third in league.

Kris Kamrath, one of the few seniors on the team, was voted M.V.P. Most Inspirationable was given to Melody Stanley as Pennie Nielsen and Kela Hinds were voted Most Improved.

All and out the team had on excellent year with two members making the first team: Kris Kamrath and Melody Stanley. Three members making the second team: Shari Wright, Kris Shirley and Jeannie McDonald. Look out for next year when Putnam adds to its record of top teams.

J.V. SOFTBALL

The J.V. softball team started out slow this season losing at the beginning, but came back strong in the end of the year to finish with a 12-7 year. They were a very young team consisting of 6 sophomores and 7 freshmen. This years team had alot of talent with strength in field and outfield which will make for a strong varsity team next year. They had great sportsmanship and taking all of this into consideration look for a continued strong power for Putnam in the future.

LOOK AT THE PEOPLE WHO MADE THIS POSSIBLE

*Look what years of publications have done to our advisor,
Alex Herauf*

Look what one year has done to chief editor, Craig Prockish.

Elena Barinaga tries to accomplish her work.

"Alright we made the dead line!"

"I told you I hate developing film."

Who you smiling at, Tina.

Just a peaceful birthday party.
